

Bordesley Village Reception

At Bordesley Village Primary School, children are offered the very best start to their education by being provided with rich opportunities and experiences. We provide a broad and balanced curriculum for all children that enables them to reach their full potential in all areas. We have a safe and stimulating learning environment in which each child can grow in confidence and independence.

We have an outstanding outdoor learning environment that allows for challenging and inspiring play. It enables children to learn about the world around them has a positive impact on their wellbeing and development.
